Lindsay Sponsors School Supplies Collection for Children

Photo Caption (from left to right): Suffolk County Legislature Presiding Officer William J. Lindsay and Suffolk County Legislator Jack Eddington thank Every Child's Dream Coordinator Ken Mangan, Sayville Ferry Company President Ken Stein and all volunteers who helped make this year's school supplies collection and Backpack Pirates Program a success.

At his district office in Holbrook this summer, Suffolk County Legislature Presiding Officer William J. Lindsay supported the Every Child's Dream's Backpack Pirates Program by collecting necessary school supplies for underprivileged local children.

"I appreciate all of the much-needed school supplies that were delivered to my office, and I thank everyone who participated in this act of kindness of neighbors helping neighbors," said Presiding Officer Lindsay. "Ken has really organized a fantastic program where hundreds of children have the opportunity to go to Fire Island for the day, enjoy a picnic and entertainment, swim in the ocean and head home with a backpack filled with school supplies to start off the school year."

Presiding Officer Lindsay and Ken Mangan, Founder of Every Child's Dream, ask that you please consider the organization's coats and clothing drive this winter.
